### Non-Medical Device

This product is not a medical device and is not intended to assist, treat, diagnose, or alleviate any medical condition or disability.

- Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tire condition. This specification can be subject to a variance of (+ or -) 10%.
- Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
- Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.
- Battery weight may vary based on battery manufacturer.
- Includes standard seat weight.
- AGM or gel cell type required.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.

# EXPERIENCE A SMOOTHER RIDE OVER VARIED TERRAIN

20" x 18"  
Limited recline  
fold-flat seat  
with manual  
adjustment and  
angle/width  
adjustable  
armrests

LCD digital display

Full LED light  
package includes  
LED headlights,  
directional signals  
and brake lights that  
offer full visibility  
for increased safety

Front storage  
compartment  
on tiller

Front LED light package

LED brake lights and turn signals

Secure, lockable, under seat storage

Soar into adventure with the **Pride® Raptor!** With speeds up to 14 mph and a 400 lb. weight capacity, it's the perfect scooter for anyone and everyone. Travel greater distances with a per-charge range up to 31 miles and experience a smoother ride over varied terrain with front and rear suspension.

## Additional Features

- Easy-to-read LCD console which shows estimated speed, mileage and battery display
- Front and rear suspension
- Hand-brake with regenerative braking system
- Sleek and solid design for enhanced stability
- Tubeless pneumatic tires for a smooth ride
- Two rearview mirrors
- Under seat storage is equipped with seat support rod

## Available Colors

Silver

## Accessories\*

- Cup holder
- Saddle bag
- Safety flag
- XLR USB charger

## Military Patches
